ABOUT THE COLLEGE

The college was established in the year 2001 by Col.Dr.JEPPIAAR, M.A.,B.L.,Ph.D., the Founder and Chairman of the Jeppiaar Educational Trust. His passion for education inspired him to establish such a colossal educational empire to cater the aspirations of learners and intellectuals of the society. The college provides UG programmes in the discipline of CSE, ECE, EEE, IT, MECHANICAL and CIVIL engineering. The college has its ever successful vision of upbringing the institution as a well reputed organization with academic excellence. The Institution helps the student community to enhance their technical expertise and expose their talents. The vision is to become a premier Engineering and Technological institute of academic excellence through its commitment in offering value based education to the students and to improve their technical, intellectual and professional skills. The aim is to enable them to meet the diverse needs and challenges of the Society, the Nation and the World at large.

ABOUT THE DEPARTMENT

The Department of ECE was started with a sanctioned intake of 45 students in 2001 which was increased to 120 students in 2007. The Department has highly qualified teaching and non teaching

staff members. The staff members in the department have sound knowledge of the technical subjects and play a vital role in guiding students for their bright future. The staff members have memberships in various national and international professional bodies. The students are also encouraged to involve in various co-curricular and extra-curricular activities apart from their regular academic activities. IETE students forum has been formed in the department and all the students have membership in IETE.

ABOUT THE FDTP

This faculty development training programme will provide opportunity for teachers employed in AICTE approved and Anna University affiliated institutions for training and upgrading their knowledge in the area of Digital Electronics. This programme will enrich their knowledge and also provide a deep insight to the subject. This programme will cover the syllabus provided by Anna University for the undergraduate course.

RESOURCE PERSONS

Experienced faculty members of renowned educational institutions and experts from various R& D Centres will deliver the lectures.
